

COMBINED 2018 NTC/NTCA NATIONAL SPECIALTIES

**April 30th - May 7th
Purina Farms
Gray Summit, MO**

Something for everyone...too much for anyone (but we will have it all): conformation and performance (agility, barn hunt, CGC, earthdog, lure coursing, obedience and rally, scent work; social events (a potluck supper, combined banquet, and evening out at the AKC Museum of the Dog, tour of The Hill, St. Louis' Little Italy); and health clinics (CERF, cardiac, thyroid, hips), and judges education for both Norfolk and Norwich.

The show superintendent will be Onofrio. The premium will be available online at www.onofrio.com or by calling Jack Onofrio Dog Shows at 405-427-8181. Entries will open mid-December and close on April 18, 2018.

This week will be a true celebration of everything our dogs can do, and everything we can do with our dogs. Hope to meet you in St. Louis!
