Safety Briefing

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. *Every dog must check in and pass inspection before each run.* The inspection committee has the authority to disallow a dog's entry into a test and, in such instances, applicable entry fees will be refunded. At check in, dogs will be inspected for disqualification; dogs may be measured by a wicket to verify handicaps. Bitches in season, lame and unfit dogs will be excused. *Please do not bring bitches in season to the test.*

Entry Process and Fees

\$25.00 per entry per dog per test
(Includes \$3.50 AKC recording fee)

Closing date is September 23, 2023 at 6:00 PM, no cancellations refunded after the closing date. All cancellations are subject to \$3.00 processing fee per entry. Incomplete, unsigned, or conditional entries will not be accepted. [Entries are accepted ONLY online at www.sugarloafmountainracing.com](http://www.sugarloafmountainracing.com) and will have an additional \$0.50 processing fee added per entry. NO PAPER ENTRIES will be accepted. Entries received by phone, text, or email will not be accepted. Incomplete entries or forms without signature will not be accepted. Please follow the instructions on www.sugarloafmountainracing.com.

***If space available after closing, entries can be made up until 8 PM the night before online at www.sugarloafmountainracing.com; late entries will be \$30 per entry per dog.**

Notice To All Exhibitors

All exhibitors are responsible for cleaning up after their dogs on the motel, RV and trial grounds. Motels require that dogs be crated when unattended. Any damages to motels, RV sites or the trial site can result in disciplinary action by the Event Committee. It is expected that exhibitors will clean up immediately after their own dogs and strongly encourage others to do the same. All owners/exhibitors should be aware that the entire motel grounds and RV sites are considered within the trial grounds. You are responsible for all damage to your room/site and may be subject to disciplinary action in accordance with the rules of the AKC. Any abuse of the grounds will be brought to the attention of the trial-giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the motel or RV facilities. This is an AKC supported measure.

Photographer

We will have photographer Dean Lake taking action shots (like those below) both days. She will photograph all runs and you can order from her website.

FUN RUN!!!

The Norfolk Terrier Club will hold a "Fun Run" for new dogs and puppies on Tuesday, October 3, 2023, 30 minutes after the last official run. The cost is \$10 for two (2) runs per dog and payable in cash. There will be a sign up sheet on site at the registration desk and dogs will run in the order signed up.

What is Fast CAT?

Fast CAT is a timed straight 100 yard dash for dogs. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually. Dogs are timed when they complete the 100 yard dash. The time is converted to Miles Per Hour (MPH).

FORMULA: $204.545 / \text{RUN TIME} = \text{MPH}$

MPH X HANDICAP = POINTS (ROUNDED TO NEAREST 0.01)

Based on the dog' size at the withers, a handicap is applied and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5.
- Below 12" = Handicap is 2.0.

MPH X HANDICAP = POINTS

Titles are earned at specific point levels and the highest suffix may appear after the dog' name:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = Each additional 500 points
